

# Children's Spring Tours

Teachers – Have your students experience classroom curriculum in the outdoors through creative thinking and learning about gardening and nature! What better way to learn about science, biology and the arts being in a beautiful garden and greenhouse learning platform!

## Times of Tour:

Tours will be offered Mondays through Fridays throughout the month of May. Tour bookings begin at 9am and continue through 3pm.

Gain Gardening Knowledge – Suited to your age group through:

- \*Hands on planting take home project
- \*Sensory walking tour (learn plant types and how to care for them)
- \*Garden story time and learning session

## Length of Tour:

Each group tour will last approximately 1 1/2 to 2 hours. Groups should allow more time if they are planning to eat a picnic lunch on the grounds and do more exploring.

**Best suited for pre-school through fourth graders – but may be tailored for older children as well.**

**Groups larger than 30 will be divided allowing a more enjoyable experience.**
