

Melinda's Choice®

SELECT PLANTS

I've teamed up with *Ebert's Greenhouse Village* to select easy care plants for your garden. **Melinda's Choice®** plants are suited to Wisconsin and provide added beauty with a long season of bloom, the birds and butterflies they attract or multi-seasonal interest. Check the grower's tag to make sure the plants you select will thrive in the sunlight, soil and available space in your garden. Enjoy your new plants and the beauty they provide.

Melinda

2017 ANNUALS

- Blue Horizon Ageratum** - 24" *Purplish-blue flowers on sturdy stems, great for bouquets* ☀️
